

28th April 2024

Dear Parents / Carers,

We want to wish you all a peaceful and holy Easter period. Thank you again for all of your support; by pulling together we can continue to do the best for the children we serve. I believe that our pupils will continue to flourish and become people who reach their full potential and are ready to go into the world and make positive contributions to the common good and social justice.

I have been pleased with the attitude with which our boys and girls have returned to school this term. They are a credit to their families and themselves, and we look forward to seeing you all in our final term.
